2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Principal's Message:

Glorietta Elementary School is a place of enriched learning and connection. Administration, teachers, and para-professionals aspire to make learning meaningful and challenging for all, while fostering an environment that is nurturing, supportive, and inclusive. Credentialed teachers are experienced, yet actively pursue professional development. Support staff are cherished for their contributions, and parents are appreciated for their partnership in the educational process.

Glorietta Staff, Parents Club, Coordinating Council, and advisory teams work collaboratively to implement District goals, address targeted priorities, and offer meaningful learning experiences. Consistently high academic performance (as measured by the California Assessment for Student Progress and Performance) is maintained through differentiated instruction, data analysis, implementation of best practices, and strategic support from the instructional support team. We approach teaching as facilitators of learning and focus on continuous improvement in literacy, mathematics, history/social studies, and science. Teachers receive support and training from the OUSD Teachers On Special Assignment. Additionally, teachers devote countless hours collaborating with colleagues and are encouraged to attend professional growth workshops and conferences. Regularly scheduled enrichment in art, music, and physical education instruction is made possible through the generous donations of our parent community. We also have a library technician who supports teachers and students during their weekly visits to the library. Parental support and financial commitment continue to enhance our learning community with access to identified resources, as well as the latest technology tools including chrome carts in all grade 3-5 classrooms, 1:1 iPads in every K-3 classroom, and adaptive software to enrich the experience of our 21st-century learners.

Beyond the standards-based curriculum, students are exposed to character education, focusing on nurturing students' social-emotional learning. The addition of our Wellness Counselor and Wellness Center is the latest additional layer of Social Emotional support for our students' well-being. Students participate in the OUSD adopted Second Step program which is a nationally recognized character education curriculum. Additionally, in support of OUSD's Strategic Priorities, we cultivate ethical and respectful citizens through our 'Everyone Belongs Here' initiative that includes themed activities, buddy class interactions, monthly community-building assemblies, exemplary character recognition, reflective school-wide read-aloud books, and more. We are committed to further developing our caring school community with a commitment towards an inclusive and anti-bias climate through our district-wide equity trainings and continued support for our Diverse Ability Awareness Week. Students are also encouraged to get involved in Student Council, Green Team, as well as our Student Leader and Safety Patrol Team.

2022-23 School Overview

Glorietta is a dynamic community that prides itself on rich traditions, high academic standards, and a drive to cultivate a caring and inclusive learning environment.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Orinda Union School District (OUSD) convenes textbook committees to help in the selection process. The textbook committees consist of teachers and administrators in the District. State-approved books are reviewed, piloted, and a selection is made based upon pre-determined criteria. The books go on public display for two weeks and are then presented to the Governing Board for adoption. The district has affirmed that class sets or electronic versions of textbooks are available to all students, including English learners.

At the middle school level, class sets or electronic versions are also purchased to eliminate the need of students carrying heavy books. Books have been purchased for all core academic areas as well as visual and performing arts, and music, at all grade levels. Textbooks are California Department of Education-approved and California Standards-based.

A public hearing is held each October and reports are made quarterly to the Governing Board to meet all requirements according to the Williams Settlement Agreement.

School Facility Conditions and Planned Improvements

Buildings: Glorietta Elementary School was built in 1949. The campus includes 19 full-size classrooms. We also have a multi-purpose room, library, music room, art room, science room, and computer lab. Our classrooms underwent extensive modernization projects that were completed in November 2004.

The physical quality of our school buildings influences learning and teaching. We strive to maintain and improve the facilities at Glorietta Elementary School. The site has full-time day and evening custodians, serving the campus from 6:30 a.m. to 10 p.m. Overall, the facilities are clean and in good repair.

Library: Glorietta Elementary School has a library filled with current titles and excellent resources for student research projects. Students learn to use the library and Internet sources for schoolwork, research, and reading for pleasure. Additional library activities include author and storyteller visits, read-aloud, book fairs, book swaps, and the STEAM Lab (offering students in grades K-5 opportunities to explore, create, and innovate.) Library services are available to all staff, students, and parents. The Glorietta Library catalog has been updated and new titles continue to be added to the inventory of over 12,000 books, magazines, and varied resources.

Technology: District classrooms utilize a variety of tools that support and enhance student learning. All classrooms are equipped with devices for student learning, collaboration, research, and projects. The district maintains a 1:1 Chromebook device deployment in grades 3 - 8 and 1:1 iPad deployment in grades in classrooms in grades K - 2.

Students and teachers use district devices to communicate, collaborate, conduct research, and create digital artifacts using Google Suite and other applications. Students and staff are provided with Google Workspace accounts, which include productivity suite applications like Docs, Drive, Slides, and Sheets. Students and staff access core district applications via the OUSD Clever Portal.

All classrooms include an LCD projector or Smart TV as well as a document camera. Network infrastructure provides wireless Internet access for students and staff.

Additionally, each site has a dedicated Makerspace. These spaces are integrated into the curriculum. The Makerspace also provides opportunities for coding, design, and robotics.

The school community has worked together to enhance the appearance of Glorietta School. Staff, student, and parent volunteers have trimmed bushes, planted drought-resistant plants, and refurbished the school butterfly garden. Eagle Scouts have further improved the school environment by refinishing school picnic tables, building exterior backpack storage areas, and assisting with the beautification of the school garden.

In the summer of 2022, construction started on upgrades to the electrical service and installation of new HVAC/Mechanical systems. This work is planned to be completed by the summer of 2023.

In the fall of 2022, the District worked to create a 5-year deferred maintenance plan. As part of that plan, dry-rot repairs and roof repairs will be made to the MPR building in the spring of 2023. Asphalt and additional road repairs are also part of that list and are slated for the next few summer projects. A modernization is currently in DSA review. It includes accessibility upgrades to the site as well as the replacement of windows.

Prior School Site Improvements:

- Extensive sidewalk concrete cutting throughout campus to eliminate tripping hazards.
- Window tinting was added to reduce solar heat gain at the library and classrooms.
- New solar inverters added.
- New exterior doors installed at the Multipurpose Room Building storage basement.
- Painting of playground lines at the Kindergarten play yard.

Portable air purifiers installed in all classrooms and staff spaces.

- Purchased additional picnic tables and umbrellas were added throughout the school campus for lunch use and outdoor learning.
- Additional fencing installed along the entire length at the back of the school for safety and security.

Additional improvements to Intervention classroom space including cooling and heating along with additional storage and furniture.

School Facility Conditions and Planned Improvements

- Purchase of outdoor umbrellas for sun and heat protection at picnic tables
- New LED canopy fixtures installed.
- LED lighting installed in classrooms.
- Signage to assist in the efficiency of carpool pick-ups
- Repair of brickwork at the entrance of the school and decorative plantings added
- Improved drainage control on the slope in the kindergarten yard
- Painting of playground lines on the upper yard
- Repair and coating of rubber surfacing at the upper playground.

2018 School Site Improvements:

- New external electronic sign
- Purchase of outdoor retractable barriers for carpool area or improved drop-off/pick-up and traffic control
- Replacement and upgrade of the kitchen in the cafeteria
- Installation of large tv monitor in the STEAM lab and SPED classroom
- Purchase of flexible seating options for classrooms

2017 School Site Improvements:

- Three new Gen7 21st Century modular classroom buildings were constructed for Kindergarten and First Grade.
- Lower sports field was renovated with new sod and irrigation system.
- Rubber poured-in-place surfacing installed at lower play structure.
- A new Science, Technology, Engineering, Arts and Math (STEAM) classroom was created.
- New 21st Century furniture was added to classrooms.
- New storage unit placed for Physical Education equipment and office.

2016 Improvements:

- Solar array shade structures have been installed and activated in 2016.
- Solar kiosk monitor placed in the library for science and math studies.
- Security cameras have been activated around campus.
- Painting of the entire school completed the Summer of 2016.
- The school garden was renovated for greater student access and use.
- Additional temporary classroom portable installed (due to increased enrollment.)
- Portable AC units installed in all classrooms as a stopgap measure for maintaining acceptable temperatures.
- Installed new fire hydrant on campus.
- Refinished MPR wood floors and stage.
- Remodeled the school library to include new shelving, paint, and furniture.
- Second hydration station being added on campus for student use.
- Removed wooden walls at school front to unencumber pick & drop off.
- Additional outdoor seating has been added for student use.
- Paved road at back of school for Emergency Vehicle Access.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	86	N/A	87	N/A	47

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Glorietta's enthusiastic parent community is ever-present within our school and among our supportive community. Parents provide tremendous volunteer and economic support to Glorietta Elementary. The Glorietta Coordinating Council (GCC) consists of 14 equally represented staff and parent community; together they coordinate and approve Glorietta's Single School Plan that identifies annual priorities, initiatives, and funding. Dedicated parents work in the classroom, oversee the emergency preparedness program, before and after school programs, organize cultural and community events including Diverse Ability Week and Makers Fair, and volunteers at our lunch program. The Glorietta Parents Club (GPC) conducts a variety of successful fundraising events including pay-to-play parties and the annual school auction. Our Diversity, Equity, and Inclusion work include parent representation on the parent club board as well as planning and coordination with the principal to support awareness, acknowledgment, and education about diversity and inclusion at Glorietta. Through our community's generosity, we are able to maintain small class sizes (K-3), retain paraprofessional support in classrooms, and offer valuable programs and projects which directly benefit our student body. Annually Glorietta parents provide input into the Local Control Accountability Plan and parent survey results are used to identify site-based priorities for improvement.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00	0.38	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2022-23 School Safety Plan

At Glorietta Elementary School, maintaining a safe and orderly environment to maximize student learning is a top priority. Glorietta School has an Emergency Preparedness Team who monitor and update plans for potential natural disasters and emergency situations. All classrooms have walkie talkies and emergency lighting lanterns in every classrooms. The Parent Club supports our efforts by replenishing and updating on-campus emergency supplies stored annually. The School Safety Plan is reviewed, updated, and discussed with all staff members annually. The plan is available in the office. Monthly drills provide both students and staff with opportunities to practice school-wide response to fire, earthquake, lockdown, and shelter in place procedures and practices.

All guests and parents visiting or volunteering at Glorietta Elementary School are required to sign in at the main office and to wear a visitor badge during school hours. Parent volunteers are required to complete a TB test and fingerprinting if chaperoning on field trips.

Adult supervisors monitor the grounds before school, after school, and during recess times and we have increased adult supervision during carpool. Students arriving before 7:45 a.m. or staying after school must report to our before and after-school program. A Student Safety Patrol team assists students during morning drop-off. Students and adults are expected to obey all traffic laws and follow procedures to ensure student safety and carpool efficiency; reminders are posted in the Glorietta newsletter every trimester.

Professional Development

Orinda Union School District (OUSD) utilizes an engaging, evidenced based and inclusive model of professional development. The OUSD Curriculum and Instruction Department works closely with teacher leaders and site administration to implement professional development that supports programming identified through staff feedback, student performance data, and the Local Control and Accountability Plan. To provide effective professional development, OUSD utilizes teachers on special assignment, private consultancy groups, site and district administrators, teacher facilitators and Contra Costa County Office of Education.

Professional development opportunities in OUSD include the following:

- Districtwide professional development days (3 full days a year)
- Summer institute days prior to the start of the school year
- District curricular release days
- Site-based long range planning days
- Common planning time
- Collaborative professional learning community time
- Support provided by Teachers on Special Assignment (Math, ELA, Intervention)
- Conferences and workshops (in-person and online)
- Training related to new standards, curriculum and instructional practices

OUSD staff has participated in several curricular and instructional initiatives. Topics addressed in recent professional development sessions have included:

- Alignment of essential standards
- Development of common formative assessments
- Analysis of student data
- Science of reading and early literacy strategies
- Wellness, behavior and mental health supports
- Development of classroom communities
- Academic intervention
- Grading practices
- Integration of technology in the classroom

This table displays the number of school days dedicated to staff development and continuous improvement.
